JOINT INTERIM STATUS NOTICE REGARDING *INTER PARTES* REVIEWS

Consistent with the *Order Granting Motions to Stay* entered in these related patent infringement actions on December 6, 2013,¹ the parties are filing this Notice to apprise the Court that over the past seven days, the Patent Trial and Appeal Board (“PTAB”) of the United States Patent and Trademark Office has entered written decisions in the eleven *inter partes* reviews

¹ / The *Order Granting Motions to Stay* bears differing ECF Numbers among the eighteen related cases. It is ECF No. 71 in the first listed case, *B.E. Technology, LLC v. Amazon Digital Services, Inc.*, No. 2:12-cv-02767-JPM-tmp.

initiated by seven of the defendants during 2014,² finding that every claim of U.S. Patent Numbers 6,771,290 and 6,628,314 asserted against any of the eighteen defendants in these actions is unpatentable.

The parties will keep the Court informed of material developments, and in the interim are not requesting that the stay in any action be lifted or that the Court take other action until the plaintiff decides whether to appeal one or more of the PTAB decisions.

Respectfully submitted:

/s/ Robert E. Freitas (PER CONSENT MVB)
